

Section 401 Water Quality Certification Public Notices

The Central Coast Water Board is currently reviewing applications for the following project for certification under Section 401 of the Clean Water Act. We encourage public comments on the proposed work, which will be considered in the decision. You may submit comments in writing on any of these projects to:

Central Coast Regional Water Quality Control Board
895 Aerovista Place, Suite 101
San Luis Obispo, CA 93401
Attention: 401 Coordinator

Project Applicant	Richard Oliver
Applicant's Agent	Davinna Olhson
Project Name	Mallorca Drainage Improvement Project
Receiving Water	West Little Llagas Creek
City/County	Morgan Hill/Santa Clara
Public Notice	6/1/07-6/21/07
Project Description	The purpose of this project is to realign and widen approximately 700 linear feet of West Little Llagas Creek as part of the Santa Clara Valley Water District's Upper Llagas Flood Protection Project.

The project activities include: fill approximately 700 linear feet and 0.12 acres of West Little Llagas Creek; and relocate the creek 60 feet to the west.

Mitigations will include: revegetate approximately 1.2 acres of bed, bank, and slopes with native species; implement an Erosion Control Plan; and work during the dry season.

A Mitigated Negative Declaration was approved on April 4, 2007 by the City of Morgan Hill.
